Expected May 2027

- GPA: 3.9/4.0 | Honors: William Strong Scholarship Fund Recipient; Dean's List

PROFESSIONAL EXPERIENCE

MADUP

Global Performance Marketing Intern

New York, NY

Mar 2026 - Aug 2026

- Analyzed campaign and customer performance data across GA4, Google Ads, Meta, and Shopify, identifying acquisition, conversion, and revenue trends across \$66K+ in media spend and \$239K+ in attributed revenue (3.62x ROAS).
- Designed A/B tests across customer journeys and digital campaigns, using performance metrics to optimize targeting, messaging, and conversion outcomes across 60+ ad variations.
- Optimized SEO and GEO based on product-discovery and conversion gaps, presented data-driven recommendations directly to clients, and implemented content improvements that increased brand and product visibility across AI-powered search results.
- Evaluated lifecycle performance across customer segments while managing 43 email/SMS campaigns and 12 automated flows, contributing to \$506K+ in attributed revenue.

NSF REU Research

Research Assistant Intern

New York, NY

Jun 2024 - Aug 2024

- Developed an automated video-processing pipeline to identify manholes and obstacles, collect and extract location data using a research cane, and export structured datasets to CSV.
- Built a Python and Pandas dashboard to visualize location and object-detection data collected through the video-processing pipeline.
- Explained the video-processing pipeline to high school research participants and presented weekly project progress to lab members through PowerPoint presentations.

Space Inc

Hospitality Marketing Coordinator

New York, NY

Feb 2023 - Jan 2024

- Analyzed digital performance across 5 hospitality venues using Square, created and published advertising content across social media, and led paid marketing campaigns to drive customer acquisition and reservations.
- Produced promotional video content using Adobe Premiere Pro, built and managed websites for multiple hospitality venues, and coordinated outreach with New York-based influencers to expand brand visibility and audience reach.

H Mart HQ

Marketing Team Intern

Rutherford, NJ

Feb 2022 - Jan 2023

- Supported marketing operations across 350+ locations by coordinating advertising initiatives directly with branch managers, and contributed to 5 grand openings across Boston, Los Angeles, Hawaii, and New York through on-site event support and advertising content creation.
- Developed advertising concepts and creative briefs for the design team, supported promotional campaigns and events, and published content across H Mart's website, mobile apps, social media, and Yelp.
- Coordinated print advertising across U.S. markets, managing media schedules with Vietnamese, Chinese, and Japanese newspaper partners and collaborating with inventory and design teams to execute campaigns.

EXTRACURRICULAR & LEADERSHIP EXPERIENCE

Columbia University Student Council (GSSC)

Social Media Representative

New York, NY

Oct 2025 - Oct 2026

- Managed GSSC's Instagram and Linktree channels, implementing engagement strategies such as polls and comment-based contests to increase student awareness and engagement with council events.
- Led content planning and filmed, edited, and published social media content for campaigns and events, including Gala and Snack Attack.
